

GMB

HEAVY DUTY WATER PUMP

2018
BUYER'S GUIDE

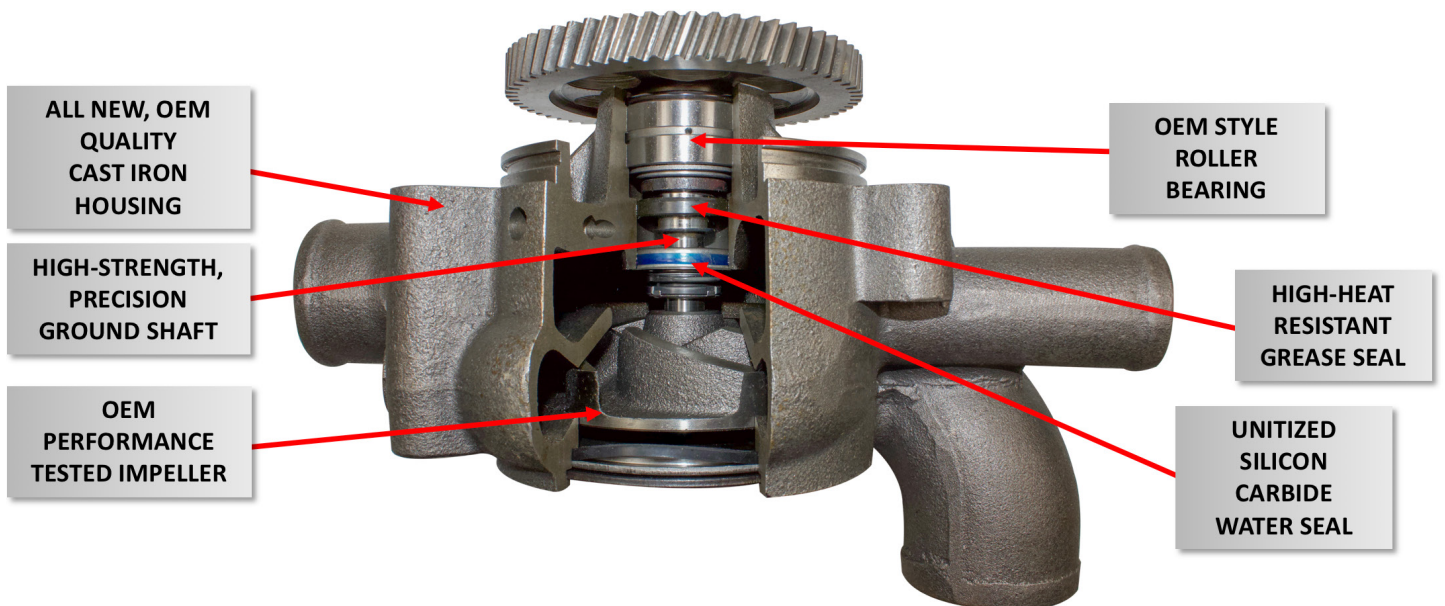

With over 70+ years of experience in manufacturing cooling system components, GMB Water Pumps have become the water pump of choice for many global OE manufacturers. GMB has expanded into the Heavy Duty Water Pump segment with the same integrity as we have had for decades.

Heavy Duty Water Pump Features and Benefits:

- Silicon shaft seals used for increased durability against harsh coolant temperatures
- Bearings produced in-house to same specifications and design as OEM
- 100% leak and hub-pull tested to ensure proper assembly
- Designed and tested to match OEM pressure and flow rate during operation
- All pumps supplied with the accessories/gaskets required for replacement

GMB Heavy Duty Water Pumps are here to travel with your operators whether the fleet operates in stop and go traffic or long hauls coast to coast.
